The Honorable R. Clayton Mitchell, Jr.
Speaker of the House of Delegates
State House
Annapolis, Maryland 21401

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 1191.

This emergency bill expands the definition of "authorized prescriber," in Section 12-101 of the Health Occupations Article, to include any individual authorized by law to prescribe drugs, medicines, or devices.

Senate Bill 715, which was passed by the General Assembly and signed by me on May 2, 1990, accomplishes the same purpose. Therefore, it is not necessary for me to sign House Bill 1191.
